RUNWAY 28L/10R SCHEDULED CLOSURES

- WHAT:** Repainting of the runway markings on Runway 28L/10R.
- WHEN:** August 25th through August 27th from 1000L-1400L daily.
- WHERE:** Runway 28L/10R and associated intersections.
- WHY:** As part of an ongoing pavement striping maintenance program, the City is refreshing the existing pavement markings.
- HOW:** Runway 28L/10R will be closed through the duration of the posted hours. During this time Runway 28R/10L will remain fully operational. Some intersections may be periodically closed at 28L/10R, but a crossing point will always be provided. Please note that this work is weather dependent. Contact the Airport Operations Supervisor at 510-293-8678 with any questions or comments.
